

Dear Parents

In view of recent legislation/data protection regarding the safety of children it is now necessary to gain permission from all parents to allow the photographing/videoing of children by the Press, the Scout Association or you the parent. This would include investitures, open evenings, camping, outings, etc. Therefore, we are asking if you have any objections to your child being photographed or videoed whilst they are taking part in scouting activities.

Furthermore, we need your consent to these images being used to publicise Scouting in newspapers, TV, newsletters and websites and/or put on public display.

For security we will not include name and/or address details in any publicity without your further written consent. All other necessary security factors will be considered.

Please complete and return the slip below as soon as possible.

Yours sincerely

Dave Sykes (Group Scout Leader)
